SUMMARY

Reliable Year 11 student, NSW State Champion motocross racer, and self-taught technology builder with a year of customer-service experience. I balance elite-level sport, strong academics and real work, and I pick up new tools and systems quickly. I am looking for casual work where a genuine work ethic and a calm, friendly manner count.

EXPERIENCE

Luke George Coaching - Coach

Volunteer 2025; paid coaching, 2026 school holidays

- Coached riders and parents of all ages, explaining skills and safety clearly and patiently.
- Built a year of customer-facing communication and leadership; the volunteer role led to a paid coaching position in the holidays.
- Kept a positive, encouraging environment, including when things got busy.

Elliam (construction) - Casual Labourer

2026 school holidays

- Casual, as-needed work during school breaks (late January and the Term 1 holidays).
- Concreting, carpentry and painting; reliable and punctual, followed site safety, and worked to deadlines as part of a team.

TECHNOLOGY PROJECTS

- **AI Tutor built with Claude Code (2026):** Built a personal AI tutoring and study-assistant system using Claude Code and set it up for numerous fellow students to use for their own study. Shows initiative, AI and automation skills, and the ability to teach others to use new technology.
- **Home NAS:** Designed a secure, central file-storage server with user access controls and remote access.
- **Workflow automation (n8n):** Automated tasks across apps and services using APIs and triggers.
- **Website (jackburtonco.com):** Built and host my own website (HTML/CSS, Cloudflare).
- **Automation scripting (PowerShell):** Built a tool that generates a yearly calendar from a spreadsheet and sets it as the desktop wallpaper.

SKILLS

Customer & workplace: Customer service, clear communication, teamwork, reliability and punctuality, adaptability, problem-solving.

Technical: AI tools (Claude Code), confident with computers, apps and POS-style systems, Excel, networking and automation (NAS, n8n), basic web (HTML/CSS), PowerShell.

Practical: Mechanical aptitude, physically fit, White Card, NSW P1 licence and own car.

TRAINING & EDUCATION

Licences: White Card (National WHS Construction Induction); NSW P1 Driver Licence.

Georges River Grammar School: High School, 2015 to present. A grades in six of eight subjects, ranked 2nd in Commerce, and multiple academic distinctions.

KEY ACHIEVEMENTS

- 2025 NSW State Motocross Champion.
- 2025 Australian Junior Motocross Championship: 3rd overall, the only Australian on the podium.
- 2025 Signed a contract to race for BCP Junior Factory Honda.
- 2024 Australian Junior Motocross Championship: 2nd.
- 2025 and 2024 Australian Maths Competition: Distinction (back-to-back).
- 2025 Community Problem Solvers: National Runner-Up.
- 2024 Australian Geography Competition: Distinction; 2024 ICAS Science: top 14% nationally.
